CARRY ME

Carry me, Lord carry me, take my life I'm yours

Carry me, Lord carry me, take my life I'm yours

Life's storms have broken my heart

Winter's breath tears us apart

But I know somehow, you'll see me through

Carry me, Lord carry me, take my life I'm yours

Carry me, Lord carry me, take my life I'm yours

Questions why the seasons they cry

'Till the sun bursts through darkened skies

And I see you standing there for me

Carry me, Lord carry me, take my life I'm yours

Carry me, Lord carry me, take my life I'm yours

I will carry you (where are you Lord?)

I will see you through (I'm so lonely Lord)

Joy in your sadness (tears fall like rain)

Peace in this madness (and no one knows my pain)

Rest when your restless, hope for some gladness

Love for tomorrow, and laughter for sorrow (the hurt of my heart)

A fire in the cold (keeps us apart) I'll be there to hold

You're forever friend so true, I will carry you – Oohh- ohh

Carry me, Lord carry me, take my life I'm yours

Carry me, Lord carry me, take my life I'm yours

Carry me, Lord carry me, take my life I'm yours

Carry me, Lord carry me, take my life I'm yours

EVER-PRESENT

You find yourself on Castro Street
You like the music, you like the beat
But man its heavy, oh so heavy everywhere
Trampled by the rush of night
Your heart searching for the light
But man its heavy, oh so heavy in the air
Hear the rush of lonely hearts
Tryin' to hustle to find their part
But man its heavy, oh so heavy in the air

There is one Jesus, He gives the light of life
The bright and morning star makes all things right
He can change your darkness to light
When your heart is faint, and it knows only pain
And you can't find the light of day
He's an ever-present help for your time of need
If your body's raked with pain, and the doctor says there's no cure

There's an ever-present help for the time of need
Ever-present help in your time of need
Ever-present help for your time of need
Ever-present help in the time of need

He's the ever-present help in the time of need

He's the ever-present help for your time of need

He's the ever-present help in the time of need

FOLLOW

Time has been fulfilled, Kingdom is at hand
Power is given to us, to do as He commands
Bangin' on the drum, of the salvation band

See the lame man walk, see the dead man rise
See the prisoner free, and see the blind ones see
There's healing in our hands, we're the salvation band

I will follow you, I will follow you, I will follow you

The road that leads to life

I will follow you, I will follow you, I will follow you

On that narrow road that leads to life

To the streets we go, to the market place and parks

Wherever there are those hiding in the dark

We'll shout the victory shout, Jesus is Lord !

I will follow you, I will follow you, I will follow you

On the narrow road that leads to life

I will follow you, I will follow you, I will follow you

On that narrow road that leads to life

I will follow you (I will follow you Lord)

I will follow you (Into the nations)

I will follow you (Wherever you lead Lord, I will go)

On the narrow road that leads to life

I will follow you (I'm your servant Lord)

I will follow you (I will go wherever you go)

I will follow you, On that narrow road that leads to life

HE IS FAITHFUL

The Lord is faithful to every promise made

He's righteous in all His ways

His word is truth and He is faithful

The Lord He's gracious, to all that He has made

He is compassionate in all His ways

He's slow to anger, He's rich in love

The Lord is near to them who call upon Him

Fulfills the deep desires of those who fear Him

Fulfills the deep desires of those who fear Him

(2X)

(Free to be free to be free to be free free free

Set free at Calvary, the Blood of Jesus washed me clean

Set free at Calvary, I'm free so free, so free so free, etc)

ROSE OF SHARON

Walking in the garden passing each lane

I'm suddenly stopped by a fragrance that calls out my name

I turn to look at one single rose

And I'm reminded of Your love

CHORUS

You are the Rose of Sharon, Eternal Bloom

Come fill my heart with Your perfume

You are the Rose of Sharon, Eternal Bloom

Come fill this place with Your perfume

Jesus, You're the fragrance of life so sweet

As I stand before You now, my life is complete

Beholding Your Face, my spirit is made whole

Embraced by Your presence You're the Lover of my soul

SEND REVIVAL

(RECITATION)

Send us Lord; send us all, to reach the city, to reach them all

In the middle of crowds, to the people we meet,

From person to person on every city street

Send us Lord, send us all, to reach the city, to reach them all

To the lonely and hurting, to the broken and bruised

To those that walk in darkness, send us the chosen few

Send Your Word Lord, send Your grace,

Send Your Spirit Lord in this place

Send Your Word Lord, send Your grace, send Your Spirit Lord

We seek Your face

(RECITATION)

Uncommon people from every walk, from every color

From every talk, join with Jesus, join today,

Volunteer for Him and give your life away

In the middle of crowds, to the people we meet,

From person to person on every city street

Send us Lord; send us all, to reach the city, reach them all

Send Your Word Lord, send Your grace,
Send Your Spirit Lord, we seek Your face
Send Your Word Lord, send Your grace,
Send Your Spirit Lord, to this place
Send Your Word Lord, send Your grace,

Send revival Lord, my Lord
Rend the skies, wo Lord, my Lord
Change my heart, wo Lord my Lord
Send revival Lord, my Lord

Send Your Word Lord, send Your grace,
Send Your Spirit Lord, to this place
Send Your Word Lord, send Your grace,

HAS FORMED YOU, AND MADE YOU, AND SET YOU
ON THE ROCK TO STAY, IN YOUR YOUNGER YEARS

YOU'VE LOST YOUR ZEAL, I'M CALLING YOU BACK
TO THE PASSION YOU ONCE HAD, TO THE PASSION
YOU HAD FOR THE LOST, ONCE AGAIN TO PREACH
THE GOSPEL TO EVERY CREATURE, EVERY NATION
IN ALL THE WORLD

Send Your Word Lord, send Your grace,
Send Your Spirit Lord, we seek Your face
Send Your Word Lord, send Your grace,
Send Your Spirit Lord, to this place
Send Your Word Lord, send Your grace,
Send Your Spirit Lord, we seek Your face

SHUFFLIN'

Take a little walk, down a street called grace

Lot's of lovin' people, with smiles on their face

This road leads to joys without end

Take a little walk, with me my friend

And you'll be shufflin' (whew!), shufflin' you're feet

Dancin', dancin' in the street

Shufflin', shufflin' you're feet

Dancin', the Son has set us free

And you'll be shufflin' (whew!), shufflin' you're feet

Dancin', dancin' in the street

Shufflin', shufflin' you're feet

Dancin', the Son has set us free

Narrow is the road, that's what the Bible say

Most think it easier, going their own way

Every other road, is a dead end street

Only the King's highway, is without end

And you'll be shufflin' (whew!), shufflin' you're feet

Dancin', dancin' in the street

Shufflin', shufflin' you're feet

Dancin', the Son has set us free

And you'll be shufflin' (whew!), shufflin' you're feet

Dancin', dancin' in the street

Shufflin', shufflin' you're feet

Dancin', the Son has set us free (WHEW!!!)

SPIRIT OF THE LIVING GOD

Spirit of the Living God, fill us with fire

Spirit of the Living God, give us Your desire

Spirit of the Living God, fill us with fire

Spirit of the Living God, give us Your desire

Rushing, mighty wind of Heaven

Appear on us, as cloven tongues of fire

Rushing, mighty wind of Heaven

Appear on us, as cloven tongues of fire

(Prophetic Recitation)

“My Spirit has birthed the church.

Two thousand years ago, the declaration went forth

That I have liberated mankind, and I have released them from the prison bars

I have set them free by My blood.

In this hour, I am declaring through the church.

A crown of glory, a crown of healing, a crown of majesty, a crown of power

That My Kingdom may be released in the Earth.

As the church worships and calls on Me, and calls for My power to be released
I will enthrone Myself, My Kingdom will come as I am established in the church
For this is the hour for the church to rise in power
To declare that "I AM LORD!"

Spirit of the Living God, fill us with fire

Spirit of the Living God, give us Your desire

Spirit of the Living God, fill us with fire

Spirit of the Living God, give us Your desire

Stand up, obey the Father's call

Lift up your voice, declare the Word of the Lord

Lift up your voice as you declare the Word of Jesus to a dying world, yeah.

THE SPIRIT AND THE BRIDE

Waterfalls and crystal streams

Granite mountains and puzzle-pine trees

All these reflect His love, the handiwork of God above

All these reflect His love, the handiwork of God above

For you, and me

He loves you and me

Peace, gentle peace He gives to all who will call on Him

So free, so free. So free

Spirit and the Bride say come

All those who heareth, say come

All those who athirst come, whosoever will

Let him drink of the Water of Life freely

So freely, so freely, so freely so freely

He gave His life for you, on a wooden cross

Crucified and lifted up, he bore the cost

For you

He loves you

He loves you

He loves you

WALK IN THE LIGHT

(Recitation)

“In the beginning was the Word, and the Word was with God

And the Word was God.

The same was in the beginning with God

All things were made by Him, and without Him, was not anything that was made.

In Him was Life, and the Life was the light of man

And the light shineth in darkness, and the darkness comprehended it not.”

Walk in the light, as He is in the light.

Walk in the light, Jesus is the light.

Walk in the light, as He is in the light.

Walk in the light, Jesus is the light.

And the blood of Jesus will cleanse our sin

Precious blood of Jesus will heal us within

And the blood of Jesus will cleanse our sin

Precious blood of Jesus will heal us within

(Recitation)

“Now there were certain shepherds who tended their flock, their flock by night.

And suddenly the glory of the Host of Heaven came

And there were angels singing ‘the light has come’

There were angels singing ‘the light has come into the world,

The light has come for all to see’.

And the blood of Jesus will cleanse our sin

Precious blood of Jesus will heal us within

And the blood of Jesus will cleanse our sin

Precious blood of Jesus will heal us within

Walk in the light, as He is in the light.

Love in the light, as He is in the light.

Rejoice in the light, as He is in the light.

Praise in the light, as He is in the light.

Dance in the light, as He is in the light.

Light of the world

He the light of the world

Light of the world

He the light of the world

If you’re walkin’ ‘round in darkness, too blind to see

Stumblin' 'round the city streets just lookin' for good company

He the light of the world

He the light of the world

He the light of the world

He the light of the world

There's a man from Heaven, and He's callin' out for you and me

I can hear Him now, He's callin' out from Calvary

He the light of the world (fade)
